„Opulent, wild romantisch und sehr
individuell – Pretiosen mit magischer
Anziehungskraft“

VOGUE

„Die großformatigen skulpturalen Formen
faszinieren unter anderem Kunden aus
Medien, Showbiz und Kultur“

ELLE

„Höchst individuelle Stücke, die sich im
Grenzbereich zwischen Schmuck und
Talisman bewegen – Poesie aus Gold
und Silber“

Eine wiedererkennbare, gewachsene
Handschrift zeugt von Authentizität, die
das Schmuckstück zum zeitlosen
Einzelstück avanciert. Eine Wertigkeit abseits
von kurzlebigen Trends.

Jedes Schmuckstück wird im Münchner
Atelier exklusiv umgesetzt.
